

Be A Hero Today

Who wants to be a hero? I do
Helping people everywhere? That's me.
Who wants to be a hero? I do
Everybody stop and stare
Oh ya

But don't you need big muscles, a cap or a mask?
It just takes a little effort, are you up to the task?

Heroes don't need super strength
Don't need to run super fast
Heroes don't have to be able to fly up in the sky
Anyone can be a hero...all you have to do is try!

Lend a hand -- to your family
Lend a hand -- to a friend
Lend a hand -- to your neighbor
If we all lend a hand, wouldn't that be grand
We'd have a world full of heroes spread across the land
Lend a hand to someone in need
Cause that's the hero way

Heroes don't need super strength
Don't need to run super fast
Heroes don't have to be able to fly up in the sky
Anyone can be a hero...all you have to do is try!

Help your mom with the groceries
Help your sister tie her shoe
Help recycle and save the planet
If we all lend a hand, wouldn't that be grand?
We'd have a world full of heroes spread all across the land
Lend a hand to someone in need
Cause that's the hero way

Don't you need big muscles, a cap or a mask?
It just takes a little effort - are you up to the task?

Heroes don't need super strength
Don't need to run super fast
Heroes don't have to be able to fly up in the sky
Anyone can be a hero...all you have to do is try!
