We're here when you need us
And we're always ready to learn and play
Come along and join us
Help a friend or two – that's what heroes do
That's what heroes do

Heroes roll call?

I'm Officer Patty
I wear a badge, and I'm here to serve and protect

I'm Fireman Frank
I wear big gum boots and a coat. If you think I fight fires you're correct

I'm Nurse Nancy
This red cross means I help people when they're hurt or in need

I'm Captain Kim
It's my job to sail and keep watch over the rivers and the seas

And I'm Ranger Rita
The last but not the least because I protect the animals, the forests and the trees
